Mr. Stan Taylor

STAT

Dear Stan:

It has recently come to my attention that you have left your full-time position with the Senate Select Committee on Intelligence in order to return to your home in Utah and the teaching profession.

I want, therefore, to recognize and thank you for your extraordinary performance during your tenure with the Committee. You have been uniquely able to serve both the need of the Congress to maintain a vigorous and independent system of oversight of intelligence, and the need of the Intelligence Community for the support, where appropriate, and understanding of the Congress. Your activities while with the Committee have gone a long way towards the fulfillment of the goal of mutual understanding and respect and have helped move us closer towards a smoothly functioning and harmonious oversight process. For this I wish to express to you my sincere appreciation, on behalf of my staff and the entire Intelligence Community.

Those on my staff who have worked most closely with you will miss you and we all wish you the best in your future endeavors.

Yours,

/s/ Stansfield Turner
